Activation of the AAVS function is only required for first time activation of the AAVS function or reactivation of the AAVS function following suspension.

(b) All registered Octopus with AAVS should not be transferred to or used by a person other than the relevant Octopus Holders.

(c) The maximum automatic add-value amount of each Octopus registered with AAVS is HK\$250 or HK\$500 per day.

Where an Octopus already has or used to have AAVS linked to it, there is a non-refundable handling fee of HK\$20 charged for transferring the AAVS from one financial institution to another, or reactivation of AAVS following suspension or cancellation. Such fee(s) will be charged to the AAVS Account.

(b) If you are currently using AAVS on your Octopus and would like to apply for AAVS to be linked to another Octopus whose AAVS function has never been enabled, there will be no fee for such application(s).

(c) As the AAVS Account Holder, you agree to pay us all costs and fees associated with the application of AAVS by all the Applicants in section B of this application form.

If the *Octopus* Holder loses the *Octopus* or if the *Octopus* has been stolen, he/she shall notify us immediately except where your *Octopus* is a *Bank Co-Brand Octopus*, you should contact the issuing Financial Institution. We will then cancel and disable the *Octopus* after a specific period of time ("**Notification Period**") following receipt of the loss report. The Notification Period shall be determined and announced by us from time to time. Once cancellation of the *Octopus* is effected, it cannot be reversed. This lost *Octopus* service will protect the AAVS Account Holder and the *Octopus* Holder from the loss of the Float and any value added to the Float through the Automatic Add Value Service on the *Octopus* after the expiry of the Notification Period.
32. If the *Octopus* is cancelled pursuant to Clause 31 above, we will refund to the *Octopus* Holder the SVF Deposit, if applicable, and the Float, if any, on the *Octopus* as recorded in the *Octopus* payment system. In the event that there is a negative Float on your *Octopus*, we shall be entitled to set off such negative Float against the SVF Deposit, and debit any negative Float from the AAVS Account, at the end of the Notification Period. We may charge the AAVS Account Holder and/or the *Octopus* Holder a reasonable fee, which will be determined and announced by us from time to time, for providing this lost *Octopus* service. The fee will be deducted from the refund of the Float on the *Octopus*, if any, or charged to the AAVS Account Holder and/or the *Octopus* Holder, who shall be jointly and severally liable for the payment.

### Cancellation of AAVS Account

- 32A. Upon cancellation, termination or expiration of the AAVS Account for any reason, you shall present the affected *Octopus* for disabling the Automatic Add Value Service on that *Octopus* in accordance with our instructions. Once cancellation of the *Octopus* is effected, it cannot be re-activated subsequently.

### Refund Policy on Cancelled Card
